KEY READY! This development is an exclusive completed residential complex designed with a contemporary and elegant style, created for those seeking comfort, quality, and a sophisticated lifestyle. The project offers 2- and 3-bedroom homes as well as unique penthouses, all with large terraces and open layouts that maximize natural light. The careful selection of high-end materials and finishes guarantees modern, functional spaces with a design that combines aesthetics with practicality. The residential complex stands out for its spectacular common areas, designed for the well-being and socialization of its residents. Among them are extensive tropical gardens, several designer swimming pools...
