---	---	------------------	--------------------	----------------

This townhouse in Torrevieja features a private solarium, garage, and communal pool, offering comfort and space in the Parque de las Naciones urbanization. The property is conveniently located near all essential services. Spread over three floors, it includes a porch at the entrance, a spacious living-dining room, and a renovated independent kitchen with a light patio and laundry room. It offers three bedrooms and three full bathrooms, including one en-suite. The 25 m<sup>2</sup> terrace provides outdoor enjoyment, while the private rooftop solarium offers additional leisure space and views. A private garage ensures secure parking. The community pool is ideal for relaxation throughout the year. This to...
