Welcome to a one-of-a-kind Mediterranean sanctuary, nestled in the exclusive urbanization of Lomas de Marbella Club, a place where timeless Andalusian charm meets artistic soul and untapped potential. This is not just a house; it is a living work of art. Owned by artists, every corner radiates authenticity and soul, from the Moroccan-inspired fountains that whisper in the patios to the centuries-old trees, over 500 years old, that stand as ancient guardians of the land. The entire property exudes a tranquil majesty, with whitewashed walls, terracotta floors, and arches that evoke Andalusian tradition, all with a privacy, personality, and poetic depth that is hard to match. Located just 10 ...
