---	---	--------------------	--------------------	----------------

This house is quietly located in Calpe and offers beautiful views of the Peñón de Ifach and, from the upper floor, also of the sea. The property is practically laid out over two levels and features several terraces, a garden and generous outdoor space.~On the ground floor there is an apartment with one bedroom, a living room with kitchen and two covered terraces that provide direct access to the garden. From this level there is a view of the Peñón de Ifach. The garden includes a closed utility room and additional storage space. The garage can be accessed both from the street and via the garden.~The upper floor is accessible via an external staircase and comprises two bedrooms, a bathro...
