There are properties close to the beach. Then there are homes where the Mediterranean genuinely becomes part of everyday life. Just 100 metres from the sea in central Fuengirola, this contemporary three bedroom penthouse combines 179m² of beautifully designed living space with panoramic sea views, private terraces and an exceptional collection of resort style facilities. Inside, the home is bright, modern and beautifully open. The kitchen sits at the heart of the living space with a large island made for everything from morning coffee to evenings with friends. Floor to ceiling doors bring in the Costa del Sol light and connect the interiors naturally with the terraces outside. Three bedr...
