Spectacular hillside residence with panoramic Mediterranean views, designed with clean architectural lines and extensive use of natural stone. The property features a long, low concrete volume elevated above the terrain, generous floor-to-ceiling glazing, infinity swimming pool aligned with the sea horizon, multiple outdoor terraces and a carefully composed Mediterranean garden with olive trees, cypresses, lavender fields and aromatic plants. Interior spaces open fluidly to the landscape through large sliding glass panels, creating seamless ?indoor-outdoor ?living. ?The ?design emphasizes ?privacy, ?light, texture and ?integration with the sloping plot. A ?refined, minimal...
