Introducing a stunning development of independent villas designed for your safety, comfort, and aesthetic pleasure. Each home features a robust reinforced concrete structure and is surrounded by a perimeter fence, standing 1.70 meters high for added security. The main door is armored and equipped with high-quality security locks, ensuring peace of mind for you and your family. These villas are designed with energy efficiency in mind, achieving a category B rating. They include a high-grade electricity installation with independent circuits, an AERO-TERMIA system for hot water, and an air chamber that protects against humidity. Enjoy your own private plot, complete with gardens, terraces, a...
