A unique luxury complex of sustainable, energy efficient homes to be built in a private and gated community within the exclusive country club resort of Real de La Quinta. Each villa has been individually designed, inside and out with differing sized plots up to 10,000m2 offering uninterrupted views to the coast, Mediterranean Sea, with Gibraltar and North Africa beyond. Each villa has been designed to make the best use of the location to maximise the outlook with all the internal details carefully planned while considering the surrounding environment. The complex itself rests on 65,000m2 of land creating a very low density build throughout, with no obstructions from any of the 18 properties...
