Designer semi-detached house located in one of the most exclusive residential areas of East Málaga, Cerrado de Calderón. The property forms part of an exclusive gated community of just 20 homes, featuring a communal swimming pool and beautifully maintained shared gardens. Boasting elegant contemporary architecture, this sophisticated corner semi-detached home enjoys a privileged position within the development, offering a larger private garden, greater privacy, and abundant natural light throughout the day. The property also benefits from magnificent open views of both the sea and the mountains, creating a peaceful and pleasant setting that perfectly complements the Mediterranean lifestyle...
