A SIGNATURE DUPLEX PENTHOUSE ABOVE THE MEDITERRANEAN IN HIGUERÓN Some homes are defined by their location. Others by their architecture. This exceptional four-bedroom duplex penthouse brings together both, adding panoramic views, remarkable outdoor space and a level of personalised luxury rarely found in the area. Offering approximately 312 m² of internal and exterior space, the residence combines the proportions of a private villa with the privacy, security and convenience of penthouse living. A HOME DESIGNED AROUND EFFORTLESS LIVING Despite being a duplex penthouse, all four bedrooms, four bathrooms and the principal living spaces are arranged on one level. This creates an exceptiona...
