Positioned within the exclusive and peaceful gated community of El Capitan in Benahavís, this exceptional private estate, recently renovated in 2026, presents a refined combination of scale, privacy, security and lifestyle appeal. Set across a double plot of more than 3,698 m², the property offers 928,53m² of built space, including over 200 m² of terraces, with open panoramic views towards Gibraltar, the Mediterranean Sea and La Concha mountain. El Capitan is an intimate residential community comprising just 27 properties, offering a private and established environment with controlled access and night-time security from 19:30 to 07:30. The elevated setting provides a strong sense of tra...
