An exceptional newly built villa in La Reserva de Sotogrande, one of southern Spain's most exclusive, private and secure residential enclaves. Conceived for an extraordinary lifestyle, the property brings together contemporary architecture, refined interior design and beautiful natural surroundings. Set on an impressive 2,052 m² plot, the villa offers 1.132 m² of built space and approximately 300 m² of terraces. Arranged over three floors, it comprises six elegant bedrooms, six bathrooms and two guest toilets, together with generous indoor and outdoor areas designed for relaxation, entertaining and year-round enjoyment. Its privileged elevated position and southwest orientation fil...
