Contemporary Detached Villas in El Paraíso, Estepona An exclusive collection of nine contemporary villas with 4 and 5 bedrooms, set in the established residential area of El Paraíso, between Estepona and Marbella. Designed by renowned architectural studio González & Jacobson, each residence has its own layout and character, combining generous interiors, expansive outdoor spaces and a refined contemporary architectural language. Property Overview The villas are arranged across three levels and offer spacious interiors designed for both everyday living and entertaining. Each property includes: 4 or 5 bedrooms Private landscaped garden and large swimming pool Generous terraces and outdo...
