Exclusive Penthouse with Panoramic Views in the Heart of Estepona Spectacular penthouse built in 2024, located in the very heart of Estepona. A unique property combining contemporary design, generous space, exceptional privacy and breathtaking panoramic views of the Mediterranean Sea, mountains and city. The penthouse occupies the entire floor and is the only apartment on its level, offering a rare sense of privacy and exclusivity. According to the official documentation, the property was originally designed with 4 bedrooms. It currently has 3 bedrooms, as the owner chose to enlarge the living room, creating an impressive, bright and spacious open living area. The original four-bedroom la...
