8	6	5594 m²	508 m²	m²

This country estate occupies a plot of 5,594m², surrounded by fruit orchards, and offers space, privacy and a variety of possibilities. The property combines a traditional Andalusian country house with a second guest house, two swimming pools and several additional buildings. According to the Spanish Cadastre Authority, the total built area is 596m², including both houses, porches, a storage building, swimming pools ("Deportivo"), and parking facilities. Main House The main country house is arranged primarily on one level and comprises a spacious living-dining room, a large kitchen, three bedrooms and three bathrooms, two of which are on suite. There is also a separate room cur...
