South-facing ground-floor 3-bed with private jacuzzi and 80 m² of terraces – South Residences, Higuerón Step-free living in Higuerón South Residences, one of the newest and most sought-after communities on the Costa del Sol. This south-facing ground-floor apartment in the Leiro building (Phase I) has 109.75 m² of living space and almost 80 m² of private terraces. That's more than double the outdoor space of the mid-floor apartments in the development. A 34 m² covered terrace extends the living room outdoors, and a 46 m² open terrace has its own private jacuzzi, overlooking the landscaped gardens and communal pool. It gets sun all day. Inside, the open-plan living and dining ...
