An exclusive new residential community offering breathtaking panoramic views of the Albir and Benidorm bays. Nestled in a peaceful Mediterranean landscape close to everyday amenities, this development is built for a healthier, safer, and more comfortable lifestyle. The project features 28 modern semi-detached, townhome, and detached villas, all built to the highest certified construction standards. The design beautifully combines traditional white Mediterranean style with warm, contemporary touches and durable, high-quality materials. Inside, bright and ?open ?layouts ?flow ?naturally into ?lush ?outdoor spaces. Designed ?with modern sustainability in mind, ?each home ?fea...
